The 2020 **Learning & Development Certificate Breakfast** held on January 30, 2020 was a true success! Over a beautiful breakfast of eggs benedict and fresh fruit and yogurt, 28 people from 9 different offices received 35 certificates for their accomplishments in Learning & Development. Accolades for the participants' hard work and dedication to growth were given to each of them by their supervisors and the room was full of smiles and laughter.

Molly McAllister, Training & Staff Development Coordinator, remarked that over the past year she observed more people contributing to coordinating and actively participating in learning opportunities than any other year at the CGA. "In 2019, we truly became a learning organization," she said.

The event was particularly significant because it was the 20th anniversary of the Certificate Breakfast at the CGA. Carrying forward a tradition that has been meaningful to CGA staff since 2000, Molly is certain that the future of L&D is brighter than ever. Below is a picture of the L&D certificate recipients from the very first celebration of its kind on January 26, 2000.

Award recipients (L to R) Luis Morales, Elaine Dall, Lou Carlisle, Dawn Marzik, Mary Finnegan, Emily Stone and Rosemarie Hice.
