

## An Online Celebration!

The 2022 Learning & Development Certificate Celebration wasn't your typical Zoom event; it was a celebration! 25 individuals and their supervisors gathered to recognize the amazing progress each of them has made by pursuing and achieving a CGA L&D certificate of achievement.

This annual event is such an important milestone. It allows everyone to pause, connect with one another, and reflect on some wonderful achievements. Each recipient received a beautifully framed certificate and a sweet treat to celebrate the occasion.

Please take a look at the list at certificate recipients and be sure to congratulate them on their success! If you are interested in learning about how you can work toward your own certificate, please visit the [L&D website](#) and select the newly updated tab "Choosing A Certificate" or email [Molly.McAllister@cga.ct.gov](mailto:Molly.McAllister@cga.ct.gov).

Congratulations, everyone!
