

L&D Celebrates Staff Achievements!

Congratulations went out last month to 29 CGA staff members who worked hard to achieve a 2023 Learning & Development certificate of completion! In January, those staff members were joined by their colleagues, supervisors, office directors, and chiefs of staff to recognize and celebrate their dedication to learning. Each received a framed certificate, a special sweet treat, and a lot of praise and smiles.

Please see the list of awardees and congratulate them when you see them!

If you're interested in learning more about this awesome tradition, please visit the Learning & Development site, [Choosing A Certificate to Pursue](#), or email Molly.McAllister@cga.ct.gov. If you want to find out what classes you've already completed, go to HRConneCT, My Reports, Learning & Development.

We look forward to seeing you in training!

Special CGA sweet treat!

Congratulations to:
