

Learning & Development Certificates Awarded

Learning & Development wrapped up a wildly successful year of learning with its annual certificate celebration.

Participants who met training qualifications for any of the 10 certificates offered were congratulated by peers, supervisors, and chiefs of staff at an afternoon event on January 29, 2026.

Many people were thanked for their contributions to training, including Gretchen Shugarts, Catriona Stratton, Jennifer

Bernier, Officer Jim Giansanti, Milagros Acosta, and Susan Keane who received a standing ovation for her years of dedicated service to the CGA.

Congratulations to the staff who participated in training and are now actively applying what they learned as the 2026 legislative session kicks off. If you're interested in earning a certificate, please [CLICK HERE](#) to learn more or contact Molly.McAllister@cga.ct.gov.
