

Aisha Haidara

Aisha Haidara is a Highschool senior at Simsbury Highschool. Since her freshman year, she has held many leadership positions. As a member of the Diversity Committee her junior year and Equity council this year, their motive is to build a more inclusive and comfortable environment for minority students. This committee taught Aisha to use her voice and take initiative when dealing with racism, homophobia, etc. in the school environment.

In college, Aisha is most interested in pursuing a degree in Psychology. Haven taken AP Psychology this year, she wants to expand her knowledge on the brain and human behavior. Aisha hopes to give back to her community by bringing light to the mental health issues that affect black and marginalized communities at a greater rate.

Aisha would like to thank CWCSEO for this scholarship and for encouraging her to achieve her goals.
