

Connecticut Health Insurance Exchange d/b/a Access Health CT
 Quarterly Data Report for Calendar Year 2020 (January 1, 2020 – December 31, 2020)
 For the Quarter Ended September 30, 2020

On behalf of the Access Health CT (AHCT) Board of Directors, AHCT hereby submits its Quarterly Data Report, as required by Connecticut General Statute §1-38a-1092(a). Please note that the data available to AHCT is limited at this time. AHCT has provided information as requested by the statute and included footnotes to clarify ambiguities within each reporting requirement. In the future, as our reporting capabilities improve, AHCT will be able to provide additional meaningful information to incorporate in this reporting requirement.

Reporting Requirement	September 30, 2020 Data
(1) Number of persons in households with incomes from 133% to 150% of the Federal Poverty Level (FPL) Enrolled in a Qualified Health Plan (QHP) on/after January 1, 2020 ^{1,2}	4,567
(2) Number of persons in households with incomes from 150% to 200% of FPL Enrolled in QHP on/after January 1, 2020 ³	16,014
(3) Number of persons in households with incomes from 133% to 200% of FPL continuously enrolled in QHP during the current calendar year (2020) ⁴	20,581
(4) Number of persons in households with incomes from 133% to 200% of FPL who were enrolled in QHP and subsequently became eligible for Medicaid benefits or whose income increased to more than 200% of FPL	<i>Data Not Currently Available</i>
(5) Number of persons in households with incomes from 133% to 200% of FPL who experienced a gap in health care coverage	<i>Data Not Currently Available</i>
(6) Cost to the State of providing health care services to persons in item (5) above and costs for those to access healthcare coverage through AHCT	<i>Data Not Available</i> <i>*AHCT does not currently collect claims experience data for its enrollees from insurers</i>
(7) Cost of the second lowest price silver premium plan on the AHCT Marketplace ⁵	See Appendix A

¹ Includes effectuated and non-effectuated enrollees with an effective date on or after January 1, 2020, with no indication of cancelation, or disenrollment as of the report date.

² 133% is the minimum Medicaid eligibility threshold established by the Affordable Care Act (ACA), however this threshold may vary across states. Connecticut's Medicaid FPL threshold is 138%.

³ Includes effectuated and non-effectuated enrollees with an effective date on or after January 1, 2020, with no indication of cancelation, or disenrollment as of the report date.

⁴ Includes effectuated and non-effectuated enrollees with an effective date on or after January 1, 2020, with no indication of cancelation, or disenrollment as of the report date.

⁵ The rates presented may be subject to change. The accesshealthct.com website's enrollment process will have the most accurate and up-to-date information.

Please direct any questions regarding this report to Mr. Robert Blundo, Director, Technical Operations & Analytics. He can be reached at (860) 241-8441 or robert.blundo@ct.gov.

Sincerely,

James Michel
